# NATIONAL CANNERS ASSOCIATION

## Information Letter

FOR N. C. A. MEMBERS

No. 241

Washington, D. C.

January 7, 1928

### CONTENTS

	Page		Page
Program for Convention announced ..	821	Will test cod liver oil extracts for vita-	824
Convention theatre party .....	821	mins .....	824
Conference held on corn borer research	821	Complaints filed on canned food rates.	824
Pack of canned spinach in 1927 .....	822	Economic survey of southeastern states	
Corn borer clean-up statistics .....	823	published .....	824
Truck crop notes .....	823	British imports of canned meats .....	824

### Program for Convention Announced

Hotel reservations, as well as interest expressed to those in charge of arrangements for the annual convention at Chicago, indicate an exceptionally large attendance.

The program, copies of which have been mailed to members of the Association, includes a wide variety of subjects with distribution problems as one of the principal themes. Distribution research, hand-to-mouth buying, market conditions and consumers' preferences are topics in which every canner is interested and on which the convention addresses will furnish valuable information.

A special train leaving New York at 2 P. M. Saturday, January 21, on the Lackawanna has been arranged by New York brokers and grocers, who will attend the convention. Baltimore canners and machinery and supply firms will have a special train over the Baltimore and Ohio, leaving Baltimore at 5.30 P. M. Saturday, January 21. Other special trains or special cars are also being arranged.

### Convention Theatre Party

The American Can Company has announced that for its theatre party on Thursday evening of the Convention at Chicago there will be two attractions: Fred Stone and Dorothy Stone in "Criss-Cross" at the Erlanger Theatre and "Hit the Deck" at Woods' Theatre.

### Conference Held on Corn Borer Research

A conference on the plan and program for European corn borer research for 1928 was held in Washington under the au-
